

Each day, United Way of  
Southeast Mississippi works to  
connect people with needs to the  
*resources available*  
to meet those needs  
for the purpose of  
*creating positive change*  
across Southeast Mississippi.

To learn more about our partner agencies and programs,

United Way of Southeast Mississippi

With YOUR help, we are  
*creating positive change!*

## HEALTHY COMMUNITY

Improving health and well-being through health access, maternal and child health, nutrition and food security, mental health support, and substance misuse recovery and prevention.

## YOUTH OPPORTUNITY

Helping young people realize their full potential through childcare, early childhood education, in-school learning, after-school learning, summer learning, and literacy development.

## FINANCIAL SECURITY

Building financial stability and strength through financial education and coaching, and free income tax assistance.

## COMMUNITY RESILIENCY

Addressing urgent needs through disaster relief and recovery, emergency preparedness, and crisis hotline and support.

Look what we  
*accomplished this year!*

17,350

books were given to children.

341

students received literacy tutoring.

880

child and adult victims/survivors  
of abuse were served.

686

individuals received financial  
coaching or assistance.

11,217

individuals were enrolled in  
feeding programs.
